

Project 3: Encrypted Block Device

Courtney Bonn, Isaac Chan

Group #39

Abstract

I. DESIGN PLAN

II. VERSION CONTROL LOG

III. WORK LOG

| Date | Time | Person | Event |
|------------------|--------|----------|------------------------|
| November 1, 2017 | 9:20am | Courtney | Started HW3 LaTeX file |

IV. WRITE UP

- 1) What do you think the main point of this assignment is?
- 2) How did you personally approach the problem? Design decisions, algorithm, etc.
- 3) How did you ensure your solution was correct? Testing details, for instance.
- 4) What did you learn?
